

Things people said that were not about
How to Train Your Robot

"Anything worth doing well
is worth doing poorly at first."
— *Ray Congdon*

"The great aim of education
is not knowledge but action."
— *Herbert Spencer*

"I am still learning."
— *Michelangelo*

"No problem can withstand
the assault of sustained thinking."
— *Voltaire*

Can't Artificial Intelligence Already Do That?

Brandon Rohrer
